<p>A <u>Michael Fleming Workshop</u> is being held in Jackson, at Essential Energies over the weekend of March 18th, 19th, & 20th. His work is exquisite.</p> <p><i>" I have had the opportunity to work with Michael and have been deeply impressed with his presence and perception. He provides a venue for grounded transformation which translates into the opportunity for radical freedom. For those looking for true transformation rather than quick fixes and temporary experiences, Michael is a worthy mentor."</i></p> <p>Marilyn Martin, Energy Practitioner and Director of Essential Energies</p>	<p>For further information, you may go to Marilyn Martin’s website: http://www.essentialenergies.com</p> <p>Or open a flyer on this event at: http://www.peaceofwellness.com</p>
